NCT

Yeah, wake up to my heartbeat, bum-bum-bum
New kicks for the kick on the drum, drum, drum
Sugar pop, I got some, some, some (Hoo)
Music in my head like a morning call
Uh, watch it go like we puttin' on a show
Everyone about to know who bring the boom to radio
Dance the, dance the, dance, dance
That's when the radio's bumpin' to my jam (Woo)

Watch me
Ooh, 24/7, I be doin' my thing
You want me
I can run it back, put it on replay

Yeah, pull up to the spot, turn it up (Yeah, yeah)
Make a beatbox-box and it bump (Yeah, yeah)
Rhythm with the flow is the gunghap
Everywhere I go, bring the beatbox
