Chew-chew-chew-chew chewing gum
You made my black sneakers
Stop in place (You)
The criminal should come out
When I'm being nice (Hurry, come out)
My sticky feet
Won't move (Not too long ago)
It's clear that it hasn't been long
Since it's been spat out (Wait right there)

Our secretly meeting
Eyes are awkward
When I slowly approached you,
You looked somewhere else
Of course, it wasn't hard
To find you
But you are too pretty
To get mad at

Blow a bubble
Whose will be bigger?
I'm confident Soft chewing gum
Carefully,
I'll go to you
So big it's about to burst My heart is chewing gum

Chew-chew-chew-chew chewing gum
Chew-chew-chew-chew
Chew-chew-chew-chew-chew
Chew-chew-chew-chew chewing gum
You're my chewing gum

It's weird, we keep
Running into each other (You and me)
We're walking on the
Same path every day (It's catching my attention)
I'm curious about
Who you are (I'm going to you)
When can I talk to you?
I think about it (Whenever I see you)

As if there's air in it
My heart gets
Bigger and bigger
Like it's filling up with you
The bigger it grows,
The clearer it gets
Making it hard for me
To hide my heart

Blow a bubble

Whose will be bigger?
I'm confident Soft chewing gum
Carefully,
I'll go to you
I'll create the mood You're my chewing gum

Chew-chew-chew-chew chewing gum
Chew-chew-chew-chew
Chew-chew-chew-chew-chew
Chew-chew-chew-chew chewing gum
Sweet chewing gum

Stick to my heart chewing gum, chewing gum,
Chewing gum, chew you like chewing
Stick to me like gum
You're so addicting
So sticky, I'm pulled to you
So much variety
Will you burst it at my heart?
Like chewing gum, chewing gum,
You're my star
Can't take you off easily, girl uh

Be with me
Let's see who wants who more
Wanna bet? Sweet chewing gum
Playfully,
I'll go to you
I have a good feeling You're my chewing gum
