Let's cast a spell
On a night that was especially quiet
I looked at the sky
And I saw a star that was falling
Like a shooting star

There's a saying
That if you look at a shooting star
And make a wish in your heart
It will come true like in the movies

I wanted a pretty girlfriend
And a red car
But what I really want
No one will know

If only I could make a dunk shot just once
Just once in my life
How electric would that feel

Let's cast a spell
Yabala bahiya yabala bahiya
Let's cast a spell, oh yeah
Yabala bahiya moha yima moha yirula

Was I dreaming?
There's no one around me
But suddenly I see a orange ball by my feet

I wanted a pretty girlfriend
And a red car
But what I really want
No one will know

If only I could make a dunk shot just once
Just once in my life
How electric would that feel

Let's cast a spell
Yabala bahiya yabala bahiya
Let's cast a spell, oh yeah
Yabala bahiya moha yima moha yirula

It's a dunk shot
I've watched it long ago
My focus became clear
Go on no more second guessing
Just trust yourself and jump
It looked so far but now it's in front of me
Almost there, just a little more
Don't wait for the whistle blow
You make your own call
Yeah, however I want

If only I could make a dunk shot just once
Just once in my life
How electric would that feel

Let's cast a spell
Yabala bahiya yabala bahiya
Until one more time, oh yeah
Yabala bahiya moha yima moha yirula

Yabala bahiya moha yima moha yirula
