Ooh, I'm enigma
Check that, check that
Go ask the world and check that

Check that, check that
I'm fine, bruh, I just win
Like Banksy, I transcend frames
Breakin' out something big again
Get back, get back
Hang me in the Louvre
Next to the Lisa, touché
Make this moment live forever

Poppin' question, question, question marks in everywhere
I don't answer, come and see for yourself
Whichever way you look, gem's constantly aglitter
Go on, cut me down, just refines my shine, babe

Check the facts, go check that
Check the facts, go check that
Check the stats, go check that
Check that, check that
Check the facts, go check that
Check the facts, go check that
Check the stats, go check that
Check that, check that

Ooh, I'm enigma
Check that, check that
Go ask the world and check that
Ooh, I am enigma
Check that, check that
Go ask the world and check that

I'm infinite, no limits
Engrave me endless, I flower into something new

Something different, shattering every frame
In every timeline, we'll get to breathe easy

Not that surprising
The nights I lit up, 'cause I'm the flash point
Paint like Gogh, to be my own vessel
I grind even more, no fake show
Ready or not? (Ready or not)
Do or we die? We bout' to fly (Woah)
Have a little more faith in me, take it slow
Come and check it, this work of art, me

Check the facts, go check that
Check the facts, go check that
Check the stats, go check that
Check that, check that
Check the facts, go check that
Check the facts, go check that
Check the stats, go check that
Check that, check that
