Shutting me down, system unresponsive
They Say I'm too much

These little sprouts
Soon become the forest

Every detail of you

I was dreaming of you the whole night
A dream without you is a Nightmare
Here we go, Glitch mode
No need to be surprised
One little error, I like it
If this is love, OK

Slightest touch
My mind goes blank
Unfamiliar senses
Take over my body
There was no you
There was no me

Everything that's not you, get
