I'm reading through
You-Ology
Fundamental principles
No mistakes accepted

You seem perfect but
Even you might fumble this function
Inside your emotions
Stacked into layers
I want to get in
And mess them up a little
Let's get it done

You and your routine
Something special
I'll try solving you as I feel
It's the way you are
Glamorous
Dangerous
The passion unprecedented in your world
Let's talk about it

Let's get down
Let's get down
Just leave it to me

Breaking rules

Yo so hot
Hot like soup
I want you
Yeah, want you

They tell me I'm idealistic
(Too hot)
They ask me which planet I'm from
(Too far)
I'm a special design
With just a word from you
I start dreaming again

What's up with these fluttering feelings?
All I need is you without any warning
I want to swing by and
Pick you up
I want to make you feel touched
Let's get it done

You and your routine
Something special
I'll try solving you as I feel
It's the way you are
Glamorous
Dangerous
The passion unprecedented in your world
Let's talk about it

Let's get down
Let's get down
Just leave it to me
Make me proud

Waiting for
I'm just waiting for ya
Your throw your signals at me
More vast than the universe
There's no time
Tonight I feel in a rush
I lie on my back alone, counting stars
And I'm thinking, yes, I'm yours

No one can compete
You're all I want it
Big Flash
Dazzling
I'm curious about you

You're alone
But I'm by your side
I'm right here

You and your routine
