Let me introduce you to some new thangs, new thangs, new thangs
Bass kick swingin' like I'm Bruce Lee, Bruce Lee, Bruce Lee
Shimmy shimmy shimmy
I'm on fire on fire
When I'm on this stage
I throw a straight punch right left Bruce Lee
I'm flying around all day long Bruce Lee

Yeah yeah
Comin' up here now
Baby you don't understand this feeling logically
Fighting for all day
Don't think
And walk along the path that leads to your story

Before the dark yesterday swallows today
My voice should spread more I can just shout out
To me no more trauma

Baby we go wild
One two seven squad
I throw a straight punch pow
Punch right and left pow

I throw a straight punch right and left
New thangs, new thangs, new thangs
Wherever we go it's a party
Raise your glass and toast like my birthday
Everyone kicks up high
Where ma roof at, roof in the universe
I throw a straight punch right and left Bruce Lee
I'm flying around all day long Bruce Lee
(Na na na na na na)

(Ya!) Got that drip, guts overflow
I lost fear
Wherever make it poppin'
Keep it movin' like 'Jeet Kune'
When you block me
You're gonna be 'Samuel Jackson' wassup?
You're so twisted baby you just gotta watch
'Enter The Dragon' like a movie
Even my steps Martial Arts
Looking that everybody looking at me
Cams Action Movie shh
Knock down one by one
Blows away there's no mercy ruthless
Droppin' the bomb on ma enemies
And I'm gonna kick it like Bruce Lee

After repeating the same scenes of so many days
I can just knock yesterday's me down and shout out
To me no more trauma

We ain't never gonna stop
Even if we can't see the end, just go

I throw a straight punch right left Bruce Lee
I'm flying around all day long Bruce Lee
(Na na na na na na)

Deep inside the very dramatic scene
That was unimaginable
The new worlds that will spread in front of me
Will come into me as if I can grab them

After the darkness I'm born again

(Na na na na na na)

(Na na na na na na)

I throw a straight punch right and left

New thangs, new thangs, new thangs
