

You got an invitation chizu no ue o Trace
Saidai no Attention susumu Path ways
You will fronting like, fronting like, fronting like
Ryoute de Open the doors
Tsuyoki wa kuzusanai That's the only notes
Kioku ni nokoru kono basho no nioi
Kagami no naka no dareka ga warau

Your lips oto mo naku kataru In the dark
Your lips sono sugata Come up & disappear
Hontou no sugata wa You don't know yet you don't know yet
Your lips nani mokamo ga ukabiagaru Your lips

Your lips making everything strange
Your lips in the mirrors all real? (Your lips)
Itsuwari wanaikedo yume wa touki maboroshi ni In my rhythm

Sukimakaze no Whisper
Tells you why you're here
Kishimu yuka ga Shouting
Tells you what you are

Kioku ni nokoru haruka toui mirai
Kagami no naka de Leading you and guiding you

Your lips oto mo naku kataru In the dark
Your lips sono sugata Come up & disappear

Like after Hanabi in the light in the dark
Nani hitotsu omoidasenai Figure it out (Your lips)
Time is up now checkin' my heart
Youyaku ugokidasu tokei

Your lips come and take me to the place to go
The place you would know where you belong
Your lips come and take me to the place to go
The place you would know where you should go
