Yeah  
This is so hard to solve  
I can't do this alone  
I need somebody

In this dark world filled with sadness and loneliness  
No one was by my side  
I had to protect myself

Slowly, I had nowhere to go  
Slowly, I entered into a world of wandering

I had to be so much stronger  
I had to be so much stronger  
I got to be so much stronger

In those times  
You all were there  
Getting through it together  
I can have a new dream of my life for the first time, first time, yeah

I can't do this alone  
Come on

Sometimes, I get nervous about the future that hasn't come yet  
Have I come too far? Can we go back again?

Because we're still young, we can start again  
We, we can be whatever we want

We had to be so much stronger  
We had to be so much stronger  
We got to be so much stronger

In those times  
You all were there  
Getting through it together  
I can have a new dream of my life for the first time, first time

Because we were together during those times, I was able to endure  
It's alright if we fall behind because we're gonna find our dreams eventually

In all times  
You all were there  
Getting through it together  
I can have a new dream of my life for the first time, first time

In all times  
You all were there  
Getting through it together  
I can have a new dream of my life for the first time, first time, yeah
