You say (Say, say, say)  
You say (Say, say, say)  
And you say (Say, say, say)

You say just one thing to check before start (Hoo)  
You have to have the attitude to enjoy it however you want (Hoo)  
Everything's ready, pick anything, and play (Shh, shh)  
Wow, look forward to this track, the curtain has now risen  
Boom, leave your body to the resounding beat and dance  
Staying still  
Sitting down is no  
The celebration has begun  
No one is gonna stop us  
What's next? I'm so excited  
Ain't got no problem with a one  
This kind of twist be about to change  
Our energy has no end

This is our festival  
Towards the sky  
Sparkling cries  
It's all pouring down  
Take a breath (Wait)  
March further  
Do-don't be lazy  
Look carefully, it's a shame  
If this moment that will pass by

This moment is like a dream  
Running around all night  
Free like the wind  
It's the most like us right now  
Go, parade (Parade)  
This exciting song (Sing it to me)  
What are you doing? (Yeah, yeah)  
Do you want to play together?

Change, change, change, change (Yeah)  
Everything (Everything)  
Turn it up (Turn it up, turn it up, yeah)  
Beep-beep, get out of the way  
We, we come, come, coming up (Ayy)  
Yes, sir, parade, with a more exciting song  
What are we doing? Let's play together

Ching, ching, ching, no need to hesitate, let's go  
Bling, bling, bling, walking faster, yeah, let's get it  
I'm on my way, throw it far away, your negativity, good riddance  
New phase, the world's gon' know our name  
I got the best of this, I see  
Fire, emergency  
Even a small fire, urgently  
Cool it off in that dizzying heat  
Spray water new wave  
I feel so fine at the rainbow that has formed above me  
It's beating hot heart  
Burning firework  
Our vibe burns beyond the sky  
(Please) A little more lightly  
(Get it) Take off the mask  
Really my face  
I just wanna take (Take)  
The party don't sleep, so no, I can't wait

When we appear  
Always in this parade  
Colorful confetti

It's pouring down  
Take a breath (Wait)  
March once again  
Do-don't be lazy  
Only once  
This brilliant moment

This moment is like a dream  
Running around all night  
Free like the wind  
We are most like us now  
Go, parade (Parade)  
This exciting song (Sing it to me)  
What are you doing? (Yeah, yeah)  
Do you want to play together?

Change, change, change, change (Yeah)  
Everything (everything)  
Turn it up (Turn it up, turn it up, yeah)  
Beep-beep, get out of the way  
We, we come, come, coming up (Ayy)  
Yes sir, parade, with a more exciting song  
What are we doing? Let's play together

You never let me down  
Rock and roll to your heart's content  
Brightest in the town  
Even if it's wrong, I don't mind (just enjoy it right)  
Beyond the dazzling  
Exit-xit-xit, that's it, that's it  
Without hesitation, break it, that's it

Moon rising high  
We will share the night  
Look in the same place, oh, yeah, yeah, yeah  
Baby, we gon' reach for the stars  
Tell me, what you see right now?

Can you feel the music?  
I'm freer than anyone else  
As if it would reach the sky  
Turn the volume up higher  
Go, parade (Parade)  
This exciting song (Sing it to me)  
What are you doing? Do you want to play?

Change, change, change, change (Yeah)  
Everything (everything)  
Turn it up (Turn it up, turn it up, yeah)  
Beep-beep, get out of the way  
We, we come, come, coming up (Ayy)  
Yes sir, parade, with a more exciting song  
What are we doing? Let's play together
