Perfume ooh ooh yeah

Ay I'll fill your day
With heavenly scents
To remind you of
My name at every step
Merging with your breath
Lingering just at the tip of your nose
Etching itself into your mind
As the base-notes go on and on

Sweet is the scent of my thoughts of you
Putting the traces

Leaving 'em on your wrist
On your collar
Gonna let 'em hover
So you can't forget me
Mixed in with the
Smallest sigh

Ay even in the air in your room
My heart-notes sing just for you
As I claim your warmth
Every time is paradise yeah
Even after the longest time
Won't fail to thrill you

You've never ever felt this
Be honest baby

Sweet, you're here in all of my moments
Tonight falling in just as time seals shut

Leaving 'em on your wrist
On your collar
Gonna let 'em hover
So you can't forget me
Mixed in with the
Smallest sigh

(Baby I'm baby I'm)
Baby I'm comfortable with you
(You know that I'm)
And you're comfortable with me
(I know that you are)
When eyes lock (Lock)
It's gonna be clearer

Yeah yeah that's me
Rich fragrance (oh yeah)
Got me light-headed (Love yeah)
Uh your breath is a sweet perfume
And it's perfumed with me
They can tell

Yeah one drop
Drip Drop (Drip Drop)
Leave my mark
In your memories (Leave it)
Time only makes it
More visible
Hovering around you
24 hour whoa whoa!

Hold tight
The night we looked into each of our hearts
Oh Feels like I'm already blended into you
I know for certain
And my senses awaken
Once more etched deep

Leaving 'em on your wrist
On your collar
Gonna let 'em hover
So you can't forget me
I'm folding into
Every moment
