Do you have a time
Time for you
Have you ever listened?
To the stories in the radio, oh yeah

Some people fall in love, falling in love
Some people are locked in sadness, don’t worry about it
Sometimes, it can comfort people
The small joys of life

I know I can be somebody
Different stories in the same time
You can’t see them but you can feel them
So you can feel it today
Open your heart for me today
And come to me, oh baby
Radio romance

Have you heard of this song
A song for you
Have you ever listened?
To the songs in the radio, oh yeah

You just need to turn the radio on
Then a song that makes you feel good
Will come on

So you can feel it today
Open your heart for me today
And come to me, oh baby

It’ll give you strength
It’ll touch your heart
And whisper warm love
