[English translation:]

This empty feeling on the street
Fill it with the heat Reloading
Break the boundary break out
Target anywhere
Now we be pullin' the trigger, watch us

We're back No more brakes
Everyone Sit back
Now I'm gonna face the Scream towards me
After a long wait I light the fire
When I crank up the engine It's game over ya

Talk talk anywhere
Talk talk about me
Everyone is busy talking
Up on the clanking noise
I cross the line
And use the time freely

Heat up this moment make it hotter
Burn up the road
Until I surpass myself

This empty feeling on the street
Fill it with the heat Reloading
Break the boundary break out
Target anywhere
Now we be pullin' the trigger, watch us

Ridin' and Rollin' oh baby Reloading
Ridin' and Rollin' oh baby Reloading
Now we're Running
Reloading oh yea
Feel me up refresh me again

Whip fast without hesitation turn the steering wheel more
Floating body is
Like a roller coaster
Press the accelerator like exploding
We outta control ya ya
We won't stop the racing
Till it's over ya

Talk talk anything
Talk talk in this moment
We can't be explained
Get on this most dazzling speed
Towards us in the scene where everyone will be amazed

So many times I go beyond the limit
Burn up the road
Until tomorrow comes again

In my heart exploding Energy
Until the end throw myself Reloading
Break the record break out
We break the record every time
Now take us up to the world Watch us

Ridin' and Rollin' oh baby Reloading

Ridin' and Rollin' oh baby Reloading
Now we're Running
Reloading oh yea
Feel me up refresh me again

Look at the world in front of you
The Story you dreamed is not a dream anymore
Face the newly rising sun
Flying down the road (Let's roll)

Red lights
Full on the road
Tell me to stop
Woah woah woah woah
I don't go toward the same path
Anymore now Switch my lane
I make my new path
Get out of Rush hour

In my heart exploding Energy
Until the end throw myself Reloading
Break the record break out
We break the record every time
Now take us up to the world Watch us

Ridin' and Rollin' oh baby Reloading
Ridin' and Rollin' oh baby Reloading
Now we're Running
Reloading oh yea
Feel me up refresh me again
