It feels good
The electric sound
That wakes my soul
This moment won't stop
Hmm with the
Cool waves
And Coca Cola
We don't need anything else
This moment, feel forever
Wanna feel it together?
Feel together yeah

No one can stop
Can't stop this feeling
Don't want to lose this taste
No one can stop
Can't stop this feeling
Don't want to lose this feeling

It feels good
With the cool beach
And Coca Cola
My heart gets hot
Yeah, my love
I feel happy just with
You by my side
You make me sing

This moment, feel forever
Wanna feel it together?
Feel together yeah

No one can stop
Can't stop this feeling
Don't want to lose this taste
No one can stop
Can't stop this feeling
Don't want to lose this feeling

Above the twinkling stars
Our dreams are laid
Out one by one
Then I'll put it in my eyes

Like this, feel forever

(Like this, forever)
You and I together
(You and I together)
Forever, forever
(Forever, forever)
Yes real together
