As much as we
Spent time together
Our expectations went up too
Maybe that's just natural
Even though we shouted out countless times
Without it ever reaching one another

So whenever you ask me again
How I feel
Please remember
My answer is you

Even if we have to go around a long way
I will still feel the same
We'll be alright
I want to try again

Even if we fall apart
Over frequent fights
What's important is us
So it's not meaningless
It's just taking another step forward
Our past tells us

So whenever you ask me again
How I feel
Please remember
My answer is you

Even if we have to go around a long way
I will still feel the same
We'll be alright
I want to try again

Even if this repeats
You should know that
I'm always on your side
Please remember
My answer is you

Even if we have to go around a long way
I will still feel the same
We'll be alright
I want to try again

We'll be alright
Please try again
