When I'm with you

When I'm with you, day and night  
You're like a rainbow, you make me shine  
When I'm with you, I'm so blind  
Somehow all I see is you, my head is spinning, babe

When our eyes meet, I stop in my tracks  
I forget the words I prepared earlier  
My heartbeat grows louder  
It feels like I'm dreaming  
My heart's the theater for these seven scenes  
Words aren't enough

To express these feelings I'm swimming in  
More and more, it's pulling me in  
Whole world's black and white except for you  
Everything else so trite (Yeah, yeah, yeah)

When I'm with you, day and night  
You're like a rainbow, you make me shine  
When I'm with you, I'm so blind  
This color flooding my eyes, wanna say it's your aura  
When I'm with you

I'm not myself  
When I'm with you  
I'm not myself

Feelings blush rosy, my heart's ablaze  
All senses awakening to your scent

Even the watch hands stop, the whole place goes quiet  
As my heartbeats echo loudly

In this scene that feels new  
A mysterious sensation  
Makes me want you more, make you mine  
Your gaze is so clear I swim in it (Yeah, yeah, yeah)

When I'm with you, day and night  
You're like a rainbow, you make me shine  
When I'm with you, I'm so blind  
This color flooding my eyes, wanna say it's your aura  
When I'm with you

Better two than one, better you than other ones  
Know what I mean (I mean)  
Better two than one, better you than other ones  
Know what I mean (I mean)  
Better than like is love  
I know, you know what I mean (Yeah, yeah)  
Better two than one, better you than other ones  
Know what I mean (I mean)

I'm satisfied, eyes locked  
So shining bright, give me butterflies  
Make me dream, yeah  
Without warning you  
Poured straight into my heart  
And I am more complete, 'cause I am with you

When I'm with you, day and night (And night)  
You're like a rainbow, you make me shine  
When I'm with you (When I'm with you)  
I'm so blind (Ooh, I'm so blind)  
This color flooding my eyes, wanna say it's your aura  
When I'm with you

Better two than one, better you than other ones
