

## 2 The Moon

Ne-Yo

Part of me wants to leave, take me to the car (Ooh, Mr. Worldwide)  
Part of me wants to drink, take me to the bar (Ne-Yo)  
All of me wants to be anywhere you are (Ooh, Afrojack)  
'Til the moon turns into the sun (History in the making)  
So tonight let's have some fun, oh  
Until the moon turns into the sun, oh  
Take my hand, away we'll run  
Until the moon turns into the sun

Oh-oh-oh (Mm)  
Oh-oh-oh (Na-na-na-na-na)  
Until the moon turns into the sun  
Oh-oh-oh (Na-na-na-na-na)  
Oh-oh-oh (Na-na-na-na-na)  
Until the moon turns into the sun (Woo)

This only one life, so live it twice  
Got to be earth, wind, and fire, what  
Sounds like a lie, but it's the truth, what a life  
I'm married to the hustle, what a wife  
My DNA is MIA  
I'm a grown man, I ain't here to play  
So don't talk about it, be about it  
Let's party all night, dale mami

Performin', thank God and , that's me
