

Better Today

Ne-Yo

You see it all in my smile
You hear it all in my laugh
The way I walk
You hear me talking
No, I'm no longer sad
I've got more reason to smile
More now than I've ever had
Open my eyes and realized
That nothing's quite that bad

I've got a different approach
To dealing with emotion
Keeping control of my boat
While drifting on this ocean
Keeping my head to the sky
Keeping tears out of my eyes
Unless happiness be the reason
That I decide to cry

And life's too short
To dwell on all that's wrong
Stand up now
Stand up now
And I promise not before long

You'll be feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Much better today
You're feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Feeling so much better

I know about down and out
I know about when it gets tough
Losing my fight
Can't see the light
When you just wanna give up
I know about being depressed
Finding someone to love
I also know about standing up
Saying enough is enough

Ooh I've got a different approach

To dealing with emotion
Keeping control of my boat
While drifting on this ocean
Keeping my head to the sky
Keeping tears out of my eyes
Unless happiness be the reason
That I decide to cry

And life's too short
To dwell on all that's wrong
Stand up now
Stand up now
And I promise not before long

You'll be feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Much better today
You're feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Feeling so much better

Ooh I feel like if I try
I could fly away right now
All because I've finally found my smile

You'll be feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Much better today
You're feeling better today
Much better today
Much better today
So much better
You're feeling better today
Much better today
Much better today
Much better today
