Bigger Than This

Ne-Yo

(Rule number two. Understand that what you have, is bigger than this.)

Floating along in the middle of the sea, that's what it feels like.
Two weeks later and you're still not talking to me.
Baby the energy it takes to act like I'm not there,
we could be using that to make up.
But lately you don't even seem to care.
So let me try this again.

I'm sorry for the wrong that I did, why cant we just get over it.
This ain't right, were bigger than this bigger than this, stupid fight.
Baby girl were bigger than this bigger than this.
Staying mad at me for eternity whats that gonna fix?
So baby can we try? Cause what we got is so much bigger than this.

Yeah yeah yeah.
Now baby normally we don't stay mad for too long.
We would break up just to make up cause it felt wrong. (For us to be apart)
Girl I miss you intensely, so can we make everything okay?
Its a love hate kind of thing with us baby. (so all that I can say)

Girl I'm sorry for the wrong that I did, why cant we just get over it.
This ain't right, were bigger than this bigger than this, stupid fight.
Were bigger than this bigger than this.
Staying mad at me for eternity whats the gonna fix?
So baby can we try? Cause what we got is so much bigger than this.

No pretty baby no.
I refuse to believe that this is stronger than our love. (Our love is stronger)
Anything worth it is worth fighting for.
