

Boys

Ne-Yo

I like your smile the way you dress
I must admit I am impressed
So why you single you're saying yes
Then whose that girl behind you looking all upset

What's wrong you're sweating and looking stress
She just you're friend (right) I'll bet
She might be mad I think you better check
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess

Sometimes I love it when they fight for my attention
But hate it when they try to touch me like a mission
Sexy and smart or cute and dumb
Sometimes it's drama sometimes it's fun
That's why I love them
Even tho they keep me stress
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess

I swear some times boys can be such a mess
I swear some times boys can be such a mess
You can't live with them can't live without them I guess
I swear some times boys can be such a mess
