

## Caterpillars 1st

Ne-Yo

Every butterfly your eye ever saw  
Every colorful kaleidoscope wing worthy of a gaped jaw  
Every flattering example of God's genius, inspiring all  
Was a caterpillar first  
Shut your ass up  
Ayy, at the end of the night, bro  
Ayy, listen, tell them ugly girls move out the way  
Let the dimes in, you know what's goin' on  
Ayy, and it ain't no more bottles, we got 'em all  
Ayy, lil' mama, ayy, right there, you with the braids, ayy  
You rollin' with the winners tonight, ight  
Act like you used to stuff, get out the way  
Ayy, here we go!
