

# Don't Remember

Ne-Yo

What did I say to her last night,  
I can't feel my face,  
Tryna focus, but my mind ain't right.  
I remember that party,  
The dj,  
My homies,  
My girl and me.  
But the rest of is blurry,  
Cause something I did made my girl just go away.  
Got the same clothes on today, that I had on yesterday.  
What did I do or what I say,  
Man I don't remember  
I guess I had too much to drink  
Cause I don't remember.

Ohh my car ain't outside  
How the hell did I get home.  
Damn.  
Did she drive me, dropped me off, grabbed her stuff and got gone.  
I can't call my homies,  
Cause I'm looking but I just can't find my phone  
I need to talk to somebody.

Cause something I did made my girl just go away.  
Got the same clothes on today, that I had on yesterday.  
What did I do or what I say,  
Man I don't remember  
I guess I had too much to drink  
Cause I don't remember.

Damn  
Is she gone forever  
Man I don't know, I just don't remember.
