

OoooOooo yeah

I kept the flowers, the candy, the letter that you wrote to me
And I laughed a long time
As it all went up in smokes
It was funny

See I don't care
No I don't care
Cus you don't care
So I don't care anymoreeee

It was eaaaaaaa-sy
Easy to love me
But you didn't wanna try
So it was eeasssss-sy
Easy to leave you
Good bye (3x)

I got all your messages on my phone
And the texts as well
I will be changing my number tomorrow
And my email

Because I don't care (don't matter what you try to say)
No I don't care (don't you realise it's too late)
Cus you didn't care then so why should I care now
See you around

It was eeeasssss-sy
Easy to love me
But you didn't wanna try
So it was eeasssss-sy
Easy to leave you
Good-bye (3x)

Said I remember
How much I cried (mmm..)
Inside a part of me died
Oh.. what would it matter to you?
It was the part of me that gave a damn about your lie

Shoulda been easy ...ooh..
Easy to love me

It was eeeasssss-sy
Easy to love me
But you didn't wanna try
So it was eeasssss-sy
Easy to leave you
Good-bye (3x)
