

## HashTag

Ne-Yo

Get off my timeline, I'm telling you I'm fine.  
And yes, I've stopped crying; don't worry I'm not dyin'.  
I'm not pickin' up my phone, so stop tryna call me.  
I wanna be alone  
But I appreciate yours text messages & concerns twits

Thank you @BadBitch420, she said if he can't see that I'm the one then he's a dummy.  
Thank you @RealNiggasDoRealThangs, he said forget that nigga, when can me & you hang?  
Thank you @NeverHave&NeverWill, she said I'm going thru it too & I know how you feel.  
Yours 140 character letters, all making me feel a little better  
.

I'm talking about hash tag problems of people, problems of people in love.  
Scratch that..hash tag problems of people with broken hearts.  
I thank god for my timeline, as I'm wiping these tears of mine.  
Hash tag problems of people with broken hearts.

I'll be just fine, thanks to the people on my timeline.

Pictures of me and him, crowded my instagram..  
20,000 likes [?] one picture of me alone, I guess they like me better with 'em gone.  
I take a selfie with my cameraphone & post it with a caption that say "crying yesterday, but I'm smiling today",  
he's gone & that [?] the drama has gone away, bout 2 minutes later on a popular page.  
@TooTrill said I was beautiful.  
@PurpleLife said, holla back & let me know if you wanna go.  
I ain't got a man no more, but it's cool cause I got love from my people though..

Say if you've been there  
Put your cellphone in the air  
And light it up, light it up

Say all my people if you been there  
Put your cellphone in the air

And light it up, light it up
