

Hate You

Ne-Yo

Second street the restaurant where you took me
The first time you said it would be
Us together, I remember I
I drove past there yesterday
Just reminiscing on those days
To my surprise
That's where I
Saw you together at our table
And you look so happy as she smiles back
As you smile at her
Yeah I took that
But when you kissed her
I didn't mean to break the window
But I just want you to know

I'm not upset (oh whoa whoa)
Not suicidal or depress (oh whoa whoa)
Just gotta get this off my chest (oh whoa whoa)
I fucking hate you
I'm not upset (oh whoa whoa)
I'm wishing you and her the best (oh whoa whoa)
I'll leave right after I express (oh whoa whoa)
I fucking hate you, I fucking hate you

Staring at me
From over there as if I'm crazy
I walked over asking who is she
Introduce myself to her
Hi I'm you in a year
She's got my blue scarf on
The one I couldn't find at home
I thought I lost it
But now I know
I almost break her neck
And I snatched it off

Then you stand up and you said to me
Baby please don't start overreacting
I turn my head and smiled
Don't mind the twitching on my eye
Trust me when I said that I'm fine

I'm not upset (oh whoa whoa)
Not suicidal or depress (oh whoa whoa)
Just gotta get this off my chest (oh whoa whoa)
I fucking hate you
I'm not upset (oh whoa whoa)
I'm wishing you and her the best (oh whoa whoa)
I'll leave right after I express (oh whoa whoa)
I fucking hate you, I fucking hate you
I fucking hate you, I fucking hate you

Every relationship has problems
Thought we were working it out
Little by little, solving riddles
Trying to be happy and then
And don't think that I'd cry for you

I hope you're happy
Until she realizes
That you're wearing disguises
When she sees the real you
She's gonna hate you too

I'm not upset (oh whoa whoa)
Not suicidal or depress (oh whoa whoa)
Just gotta get this off my chest (oh whoa whoa)
I fucking hate you
I'm not upset (oh whoa whoa)
I'm wishing you and her the best (oh whoa whoa)
I'll leave right after I express (oh whoa whoa)
I fucking hate you, I fucking hate you
