

Luxurious

Ne-Yo

Girl, let me show you what you ain't never seen
'Cause I'm all about realizing expensive dreams
Girl, let me take you where you ain't been before
Just holler, ready, set, baby girl let's go

She wanna live luxurious
Hey, I know what you like, baby
I know what you like, girl
She wanna live luxurious
I know what you like
I know what you like, girl

She said, "Can you send a car?"
I said, "Can you take a cab?"
She said, "I ain't worth for car"
I said, "I don't know that"
See I don't do it like them others cats you got
I need you to prove your worth before you throw in the bag (hey)
I need that sex have me zombie
Then wake up in my breakfast in the morning
Sweet in the street, freak in the sheets
Do this for me
I'm holling what you need
Come earn a ticket to Vegas
You can earn you some clothes
Baby, for what you'll do naked
And anything you want, you can get it
So get your ass up on that cab, and come get it

Girl, let me show you what you ain't never seen
'Cause I'm all about realizing expensive dreams
Girl, let me take you where you ain't been before
Just holler, ready, set, baby girl let's go

She wanna live luxurious
Hey, I know what you like, baby
I know what you like, girl
She wanna live luxurious
I know what you like
I know what you like, girl

She looking for a sponsor
I eat that pussy like a monster
How could you have love for niggas from this bridge
Girl, you just came off another nigga hear this
Say where your back at, baby, where your back at
I thought you told me so and so
No niggas have that
What happened to them Hermes purses, and all colors
I wise seller they should let in a mall gutter
I told you ring all your cousins, and all your friends too
We leave the polo lounge, and go ride to the yacht party
Diamonds round your neck
I put it all your life

Girl, let me show you what you ain't never seen
'Cause I'm all about realizing expensive dreams

Girl, let me take you where you ain't been before
Just holler, ready, set, baby girl let's go

She wanna live luxurious
Hey, I know what you like, baby
I know what you like, girl
She wanna live luxurious
I know what you like
I know what you like, girl

She want that high power and high fashion
At top shelf, and main attraction
Wanna shop, where most shop that luxury
And I got that
Just prove to me that you're worthy of it
I get to you, 'cause I know you love it
Play your position, we'll do it big
How you wanna live?

She wanna live luxurious
Hey, I know what you like, baby
I know what you like, girl
She wanna live luxurious
I know what you like
I know what you like, girl
