

Miss Hypnotic

Ne-Yo

"It's Hypnotic for those who don't know, you've seen her before in the club.
..wherever"

Round and Round they go
Wow but in control
and if you didn't know
(I'm talking bout her hips man)
Fools run up behind
they've been trying to grind
she pays them no mind
(because she knows they can't have)
One-O in the face
thong made out of lace
tight below the waist
yep she got a mon-star
But don't stare too long
only takes a song
poof your mind is gone
yup she put it on ya

Some folks call her Miss's Hypnotic
Everything she do is Hypnotic
watching her hips move
(Hypnotic)
Goodness gracious that's the Hypnotic

Winding her body and staring at you
you're in the middle of a party and you can't move
suddenly no ones around but her and you
and it's your mind she done winded her way into
(She got)
Shaky as a snake
moving like a snake
that ass is this the bait
(Ain't nothing you can do man)
she can work it fast or slow
it don't matter though
you're under her control
(Ain't nothing you can do man)
Medusa game strong
if you look too long
you will turn into stone
(Well in certain areas)
roll it around
stop it and drop it down
Goodness Gracious girl I'm scared of ya
