

Never Settle

Ne-Yo

Ain't no reason why you can't touch the sky
You just gotta keep that dream alive
Never settle
Never settle
Realize baby, you can fly if you really try
Keep that dream alive, never settle
(Oowwoo)

Ain't no reason why you can't touch the sky
You just gotta keep that dream alive
Never settle
Never settle
Realize baby, you can fly if you really try
Keep that dream alive, never settle
(Oowwoo)

Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle

Why would stop at good
When I can be great
Why just place
When I can win the race
(Never settle)
Set my mind to it
Move at my own pace
I ain't stopping at the sky
Catch me in outer space, yeah

Ain't no reason why you can't touch the sky
You just gotta keep that dream alive
Never settle
Never settle
Realize baby, you can fly if you really try
Keep that dream alive, never settle
(Oowwoo)

Ain't no reason why you can't touch the sky
You just gotta keep that dream alive
Never settle
Never settle
Realize baby, you can fly if you really try
Keep that dream alive, never settle
(Oowwoo)

Never settle
Never settle
(Oowwoo)

Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)

Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle
(Oowwoo)
Never settle
Never settle

Never settle
