

No Loot

Ne-Yo

If I didn't have it all
Would you still choose to value me so?
Since you met me with these diamonds
Would you stay if they happen to go?
Would you still be partying with me
If I wasn't the host, oh no
Champagne glass stay filled
Is that the only reason you toast?

Not ashamed to say, it's you I believe in
But I need to you're riding for the right reasons
Oh, whoa, need to know what you would do
If you ever had to choose

Me or my loot
Me or my loot
Me or my loot
Me or my loot

Truth be told, I can't be mad
If you had an agenda, fasho
'Cause even if you love me
Common sense says
Make sure you got somewhere to go
Question is, is you jumping ship
If this yacht turned in to a boat?

Champagne glass stay filled
Is that the only reason you toast
Not ashamed to say, it's you I believe in
But I need to you're riding for the right reasons
Oh, whoa, need to know what you would do
If you ever had to choose

Me or my loot
Me or my loot
(Me or my) Me or my loot
Me or my loot
So what would you do, are you here for love or are you here for
loot?
