Ne-Yo

It's the most beautiful, terrible thing two people can do  
Ya tell each other I wanna try spending my whole damn life with you  
And it's all good in the beginning when everything is new  
That feelin don't last it gets harder real fast (yeah)  
You didn't know you wouldn't like him stayin' out all night with his crew  
You didn't know you wouldn't like the fact that she don't listen to you  
So ya'll fight but when it's all done ya call each other boo  
Round and round we go  
But it's all love though (ya know)

It's like sometimes I don't like you  
Sometimes I do  
What it is in relationships  
It's like sometimes I can't think of why I love you (ya know)  
Ya know I just do  
It's like Monday, happy  
Tuesday, I can't stand you  
What it is in relationships  
Because I can't think of anything that I'd rather do  
It's what it is, to be in a relationship  
It's what it is, to be in a relationship  
It's what it is  
What it is, yeah  
What it is  
What it is, yeah

It's funny how one night we'll say stuff like I can't live without you  
Very next night stuff like who the hell do you think you're talking to  
A little bit of make-up sex, our romantic checks, and we're getting new  
Round and round we go  
But it's all love though (ya know)

It's like sometimes I don't like you  
Sometimes I do  
What it is in relationships  
It's like sometimes I can't think of why I love you (ya know)  
Ya know I just do  
It's like Monday, happy  
Tuesday, I can't stand you  
What it is in relationships  
Because I can't think of anything that I'd rather do  
It's what it is, to be in a relationship  
Yeah, yeah  
To be in a relationship

It's like I love you but  
You know what  
Every once in a while I really hate your guts  
You know exactly what button to push to make me blow up  
Said well I don't wanna live in a world where there's no us  
No!

It's like sometimes I don't like you  
Sometimes I do  
What it is in relationships  
It's like sometimes I can't think of why I love you (I love you) (ya know)  
Ya know I just do

It's like Monday, happy  
Tuesday, I can't stand you  
What it is in relationships  
Yeah I can't think of anything that I'd rather do  
It's what it is, to be in a relationship
