

# Round And Round

Ne-Yo

Baby when we first met  
It was kind of fly that I couldn't predict your mood  
Said I could never guess (so) and it was the best (so)  
Not like any other dude  
But I don't know man, I don't know man, I don't know man

I don't really really know  
But before my eyes I saw the good you leave  
And the bad you start to show  
And I just can't take it (can't take it)  
No I just can't take it (No)  
So we ain't gon make it (ain't gon mae it)  
This is relationship and gon make it (no)

I'm tired of all this Round and Round we go  
You can't decide if you wanna be trife or treat me right

So round & round we go  
While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & Round  
Round & Round we go  
I'm sick and tired of you taking me Round & around and around  
Round & Round we go, round and round we go

Round and round we go  
Don't get excited anymore when you're sweet to me  
Because I know one, two, three minutes later  
You'll be right back to being mean  
It's flowers on a Monday, Tuesday you're hating me  
Wednesday's makeup sex is so amazing  
What will you be Thursday, will it be friendly  
[?] like you've been sleeping with the enemy  
Thought So

Round and Round we go  
You can't decide if you wanna be trife or treat me right  
So round & round we go  
While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & Round & Round  
Round & Round we go  
I'm sick and tired of you taking me Round & around and around  
Round & Round we go, round and round we go

Look at me, look at me, so damn dizzy  
Tryina keep, tryina keep, trying to keep up with you  
Baby you're Doctor Jeckyll and Mister Hyde  
Slowly ruining my life for me  
Baby I don't need you  
Round and Round we go, Round & Round we go

Round and Round we go  
You can't decide if you wanna be trife or treat me right  
So round & round we go  
While I decided don't wanna ride anymore  
I'm sick and tired of you taking me Round & around & around  
Round & Round we go  
I'm sick and tired of you taking me Round and around and around

Round & Round we go, round and round we go  
I'm sick and tired of you taking me Round and around and around  
Round & Round we go  
I'm sick and tired of you taking me Round and around and around  
Round & Round we go, round & round we go
