

Shake

Ne-Yo

Shaking

Just in time
You came around, came around, came around
Love me all the time
Yeah you do, yeah you do
Everyone
Yeah everyone need that someone
Brighter than the sun
Yeah, the do

I don't care what you call me
I do what I do for me
Pull me into your world
Shine like diamonds and pearls
I don't care what you call me
Feel your wave like tsunami
Pull me into your heart
Shake me out of the dark

Shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that

Just in time
You came around, came around, came around
Opened up my mind
It's what you do, what you do
How every night
I'm buzzing like, buzzing like, buzzing like
Buzzing like fireflies
It's what you do

I don't care what you call me
I do what I do for me
Pull me into your world
Shine like diamonds and pearls
I don't care what you call me
Feel your wave like tsunami
Pull me into your heart
Shake me out of the dark

Shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that

Shake
Shake it like that
Shake
Shake
Shake

Ooh, shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that
Shake it like that
Baby, just shake it away
Show me that love any day
Shake it like that
