

# So Not Her

Ne-Yo

Oh oh, oh oh  
Oh, oh oh oh

You oughta know  
I'm not impressed by cars and clothes  
You oughta know  
A lover girl could never be my role  
So lost inside your hide  
You want somebody you could easily buy  
Put her in the big trucks  
If I could shut up  
I think I finally figured out yo type  
Playing with her hair and nothing in her head  
She laughs at all your jokes  
Even when they're not funny  
Show us something shiny and she's ready to go  
Sorry, sorry

No, no, no  
I am so not her  
I am so not her  
Sorry, sorry  
No, no, no  
I am so not her  
I am so not her  
So you wanna do this silly sorry  
Not really  
I am so not her  
So you wanna do this vas and dumbn  
No I am not the one  
I am so not her

So I suppose, so I suppose  
I should be so into what you drive  
But you oughta know, you oughta know  
Nice as it is I got my own outside  
So you want groupies stack on your jewelry  
She's goo goo, gaga for a chin with demise  
Sit her in yo big trucks get back and shut up  
I think I finally figured out yo type  
Playing with her hair and nothing in her head  
She laughs at all your jokes  
Even when they're not funny  
Show us something shiny and she's ready to go  
Sorry, sorry

No, no, no  
I am so not her  
I am so not her  
Sorry, sorry  
No, no, no  
I am so not her  
I am so not her  
So you wanna do this silly sorry  
Not really  
I am so not her  
So you wanna do this vas and dumbn

No I am not the one no  
I am so not her

I'm not what you want  
I'm so not in that lane  
See I've actually got a brain  
Oh, ho

I don't live in that world  
All the cute and stupid girls

No, no, no  
I am so not her

Sorry, sorry  
No, no, no  
I am so not her  
I am so not her

So you wanna do this vas and dumbn  
No I am not the one no
