

## Stronger

Ne-Yo

Woah woah, woah woah, woah woah woah woah woahhhh.

Pressure was tight, but it also makes timeless, bottom of the map to make it, ya can't stop climbing, getting knock down doesn't mean this fight is overrrr naw, hmm.

The rain starts fallin' and it keeps on fallin', night time now but the mornings callin' hard times come and they don't stop coming, but it gets a little easy, all we do is learn from it.

Singing woahhh woahhh, woahhh woahhh, I am stronger now then I was then, saying woahhh woahhh, woahhh woahhh, I am stronger then I've ever been, and I don't know what's next for me, but I know that I will be ready, singing woahhh woahhh, woahhh woahhh, oh oh oooooooooo.

Doesn't make sense, but it should make knowledge, running from the pain ain't the way that all is, how you gonna learn if you never make mistaaakes, nooo.
