

Stupid 4 U

Ne-Yo

What the hell am I doin
Promised myself I would never return
I can tell by da flames in me
And I wonder why the hell I get burn

I tell you it's over
And I tell myself it's over
Then you tell me to come over again (and I do it)
Act like I'm not goin do it but but I wanna
And I'm headin to a drama again

Can't believe that yoi got me doin
Things I told myself that I never do
Kiss me and I love her again I'm stupid for you (ohh)
Can't believe that you got me doin
Things I told myself that I never do
Kiss me and I love her again
I'm stupid for you (ohh)
Stupid for you

Your a reasonable women
But your lips become my kryptonite
I can't butter I know baby
But they don't always feel
Right
(Oo oo)

Prayin for you
So stupid for you
So stupid
So stupid for you
So stupid
And I tell it's over again ya...
