

## Sweaty

Ne-Yo

Bounce when you walk sugah  
Sex when you talk sugah  
Everything about you girl  
I'll put my mouth to girl  
Head to ya toes sugah  
You're edible sugah  
I think I wanna start in the middle sugah

Don't act like you don't know (that after this dance)  
I'm trying to go somewhere where we can be alone  
I wanna see what you got on  
Under your under clothes  
(Get it?)  
Come get it, meet me at vallet if you with it babe

You know what I want  
You know what you got  
I'm thinking you and me  
Somewhere getting sweaty  
(2x)

Oo0h baby; oo0h baby  
The way you dance can't help but to picture you naked  
You throw it well  
But question is can you take it?  
I wish this song would hurry up and end  
So we can begin
