

Waiting

Ne-Yo

Beyonce:

Waiting, waiting, waiting, waiting (2x)

Six o'clock
Seconds feel like hours
As I sit here
And watch them tick away
And just the thought
Of seeing you again
I wanna think
I've longed for this day

So I'll be waiting
Cause I can't smile
Until I see your smile
I'll be waiting
There's nothing else that
I would rather do
I'll be waiting
Cause I can't sleep
Until I feel your touch
I'll be waiting
Patiently I'll wait right here for you
Waiting for you
{waiting, waiting, waiting, waiting
Patiently I'll wait right here for you
Waiting, waiting, waiting, waiting
Patiently I'll wait}

Twelve a.m.,
Crowd is getting thin
But that's okay
Cause I'm not here for them, no
I refuse,
To move from this spot
Until I feel your heart
Pressed against mine again
(Oh baby)

So I'll be waiting
Cause I can't smile
Until I see your smile
I'll be waiting
There's nothing else that
I would rather do
I'll be waiting
Cause I can't sleep
Until I feel your touch
I'll be waiting
Patiently I'll wait right here for you

I don't care how long it takes
I don't mind, I'll sit and wait
Till the sun goes down
And comes back up again
Cause you're the best thing in my life
Without you it just ain't right

So take as long as you like
I'll still be waiting

So I'll be waiting (waiting)
Cause I can't smile
Until I see your smile
I'll be waiting (waiting)
There's nothing else that
I would rather do
I'll be waiting (waiting)
Cause I can't sleep
Until I feel your touch
I'll be waiting (waiting)
Patiently I'll wait right here for you

I'll be waiting (waiting)
I'll be waiting (waiting)
I'll be waiting (waiting)
I'll be waiting (waiting)
