

# Won't Be Often

Ne-Yo

Oh, woah, woo

I see you all the time lookin' fine, smilin' like the sunshine (smilin' like the sunshine)  
I spend a lot of time, too much time daydreamin' that you were mine (daydreamin' that you were mine, yeah)  
And you don't even know how far I'd go just to make you happy (to make you happy), ooh yeah  
Girl in this world it's cold but baby know, if should you cry  
Should you ever cry

It won't be often  
That you shed a tear or ever fear girl, no  
No it won't be often, mmm  
That I'll let you down  
I tell you now girl  
No it won't be often  
It won't be often, no, no, mmm  
Say, say it won't be often, oh, woah  
No it won't be often, nah, nah

Only time we'll ever have to fight  
Is if we fightin' for our love that you guard down for life (life, life, life, life, life)  
Only time I'll ever knock you down  
Is when I take you to the bedroom and knock you down and down  
And you don't even know how far I'd go just to make you happy (to make you happy), ooh yeah  
Girl in this world it's cold but baby know, if should you cry  
Should you ever cry

It won't be often  
That you shed a tear or ever fear girl  
No it won't be often, oh, woah  
That I'll let you down  
I tell you now girl  
No it won't be often, oh  
No it won't be often, no, no, mmm  
Say, it won't be often, oh, oh, woah  
No it won't be often, nah, nah  
Yeah, ay

Baby nothin' about me  
Is all that it should be  
There'll be room to complain, yeah (woah, oh, woah, oh)  
But if you believe in me, if you truly believe in me  
Girl the times you'll feel pain

Wo it won't be often, oh, woah, oh  
No it won't be often, no, no, mmm  
Say it won't be often, oh, oh, woah  
No it won't be often, nah, nah

No, no, oh, woah, oh  
No, no, oh, woah, oh
