

Worth It

Ne-Yo

Shorty wanted love says shorty want a real love, want a real love
Sick and tired of love, motivate her not to kill her, she wanted real love
She's fed up, and I know it and I know it and I know
So fed up, said I know it and I know it and I know

Shorty wanted love said she gonna be the one that, be the one that
She wanna change so that she can be Beyonce, be Beyonce
She's fed up, said I know it and I know it and I know
Telling dudes get that grab up, baby know it ain't the way to go

Now listen
Ain't nothing wrong if you wanna do with a little someone that can do things
for you
But if money all that matter with who you choose, you ain't ready for love t
hat's true
No (no), no (no), no (no)

So baby listen up
Say you want someone to love you like that (baby)
But baby that just ain't for anyone, anyone
Show me you're worth it
Let me see, let me see, let me see it
Show me you're worth it
Let me see, let me see, let me see it

C'mon now
Shorty what you about, find him in a driveway a great big house
But is you gonna ride and die with your spouse and bounce when the money run
out
What up, let me know what you want, is a lifetime queen or a pretty face pre
nup
You decide which way you wanna go

Now listen
Ain't nothing wrong if you wanna do with a little someone that can do things
for you
But if money all that matter with who you choose, you ain't ready for love t
hat's true
No (no), no (no), no (no)

So baby listen up
Say you want someone to love you like that (baby)
But baby that just ain't for anyone, anyone
Show me you're worth it
Let me see, let me see, let me see it
Show me you're worth it
Let me see, let me see, let me see it [x2]

You want a king? Then you gotta show a king you're a queen
Pretty as a picture when you sure getting mean
Put your mind in you heart, it's a big city
Show me that babe, can you show me that?
Baby let me see that (baby let me see that)
Maybe we can be that (maybe we can be that)
Shorty maybe we can be that, oh

So you want someone to love you like that (baby)

But that just ain't for anyone, anyone
Show me you're worth it
Let me see, let me see, let me see it
Show me you're worth it
Let me see, let me see, let me see it [x2]
