

Dance With Myself

Nea

I keep my phone turned off
I leave them hanging
Turn the music up when no one's watching
Nobody else
Nobody else
Nobody else
Be alright

I keep my phone turned off
I leave them hanging
Turn the music up when no one's watching
I dance with myself
Yea I dance with myself
I need nobody else

I turn the lights down low
And skip the dinner
Turn the music up
And in the mirror
I dance with myself
Yea I dance with myself
I need nobody else

Raise a glass to who I am
I'm not perfect but I try try try
And just wanna dance tonight

After all that we've been through
I look in the mirror and I smile smile smile
Everything's gonna be alright

I keep my phone turned off
I leave them hanging
Turn the music up when no one's watching
I dance with myself
Yea I dance with myself
I need nobody else

I turn the lights down low
And skip the dinner
Turn the music up
And in the mirror
I dance with myself
Yea I dance with myself
I need nobody else

Nobody else
Nobody else

Raise a glass to who I am
I'm not perfect but I try try try
And just wanna dance tonight

After all that we've been through
I look in the mirror and I smile smile smile
Everything's gonna be alright

I keep my phone turned off
I leave them hanging
Turn the music up when no one's watching
I dance with myself
Yea I dance with myself
I need nobody else

I turn the lights down low
And skip the dinner
Turn the music up
And in the mirror
I dance with myself
Yea I dance with myself
I need nobody else

Raise a glass to who I am
I'm not perfect but I try try try
And just wanna dance tonight

After all that we've been through
I look in the mirror and I smile smile smile
Everything's gonna be alright
