

Catalyst!

Embark
The step
Is the path
Is the journey
Is the way

The thought
Is the hope
Is the conscience
Is the change

Driven by reflection
Hardened by rejection
Of self-deceit and denial

Conviction takes the embers
Compassion fuels the flame
Resolve reveals the essence
Of empathy untamed
(Untamed)

A whisper to a battlecry

A spark to a blaze
Drips to streams
To rivers
To oceans of righteous rage

Catalyst

Scale the mountains of your grief
Bring your banners
To the front

Embark
The step
Is the path
Is the journey
Is the way

Let the hollow retreat to the void within
Indifference - the Mortal Sin
We must erase

Fear is a lie
