Nuthin

Necro

Homeboy, mothafuck the party
I came to catch a body
Pull the magnum out then I start banging out
Won't stop dumping 'til ya whole brain's hangin out
Whatcha wanna do? (Nuthin)
Watcha tryin do? (Nuthin)
Whatcha wanna do? (Nuthin)
Watcha tryin do?

ILL Bill's so focused, unemotional like a vulcan
Grinding stones, I'm providing snow to coke heads
Dope to dope heads
Death squad, drive-by you on mopeds
You end up in the morgue with no head
Fingers missin', you get ya whole shit twisted
Four-fifth'ted, I'm so gifted with chrome biscuits
Get your soul lifted
There's no difference between guns and knives
Both of these collide equal tons of lives
I prefer guns; quick on the draw
Sprayed heat over breakbeats, Bill got pistols galore
Ashley Judd passed me blunts, expert at giving shotguns'll
Blow me with her raspy tongue
I gave birth to a whole generation of goons
A federation of terrorists waiting to use chemical weapons, biological attac
ks and methods
Spasm at gas, ya last breath, passin' the seconds

Homeboy, mothafuck the party
I came to catch a body
Pull the magnum out then I start banging out
Won't stop dumping 'til ya whole brain's hangin out
Whatcha wanna do? (Nuthin)
Watcha tryin do? (Nuthin)
Whatcha wanna do? (Nuthin)
Watcha tryin do?

I'm pissing on the Alamo
Blasting Metallica like a metallic Calico
Automatic aimed at a challenger
My rap's diced, dressed up like Manson rockin' black Nike's
Travel thousands of years backwards and attack Christ
Two thousand and three is the year of the sicko
Skitzo, smashin' ya head with a phone like you're Don Rickles
Foul like dead babies, you ain't tryin get crazy
You're better off home in your bed lazy
The ruler of the Earth smashin' your medulla
Gruesome like Medusa carving your flesh like a jeweler
Carcass rap, sling it to my market like crack
Bring it, you want it? I'mma hack you up - guard yourself from the axe
My Psychological posse is vexed extremely
When beef is set you'll be tryin escape your death like Houdini
Nothin's ever sweet
Killing every beat, beatin' you until you're buried meat

Homeboy, mothafuck the party
I came to catch a body

Pull the magnum out then I start banging out
Won't stop dumping 'til ya whole brain's hangin out
Whatcha wanna do? (Nuthin)
Watcha tryin do? (Nuthin)
Whatcha wanna do? (Nuthin)
Watcha tryin do?
