

# Only Need One

Ned LeDoux

Telephone rings  
An ol' way back friend  
Called to catch up  
Say, man, how you been?  
Said, I ain't half bad  
I'm holding it down  
Man, I got more  
Good things than I can count

Well, I got  
One truck that's about paid off  
One fishing pole in the back  
One old pair of boots that fits just right  
One joke that'll make you laugh  
One day at a time I'm living the dream  
With a pretty girl from a one-horse town  
Puts a beer in my hand, and a kiss on my cheek  
As the sun goes down  
When all is said and done  
You only get one life  
But with a life this good  
I guess you only need one  
You only need one

He said it sure sounds like  
You're doing pretty well  
Said, I ain't got it figured out  
But as far I can tell  
The only guarantee round here is  
Heaven and taxes  
So it's good thing I ain't looking for no greener grasses

Cause I got  
One truck that's about paid off  
One fishing pole in the back  
One old pair of boots that fits just right  
One joke that'll make you laugh  
One day at a time I'm living the dream  
With a pretty girl from a one light town  
Puts a beer in my hand, and a kiss on my cheek  
As the sun goes down  
When all is said and done  
You only get one life  
But with a life this good  
I guess you only need one

These days the days sure love to fly  
So I just jump in and enjoy the ride

In that  
Old truck that's about paid off  
One fishing pole in the back  
One old pair of boots that fit just right  
Man, ain't nothing wrong with that  
One day at a time I'm living the dream  
With a pretty girl from a one-horse town  
Puts a beer in my hand, and a kiss on my cheek

As the sun goes down  
When all is said and done  
You only get one life  
But with a life this good  
I guess you only need one
