Not Sleeping Around

Ned's Atomic Dustbin

i don't know if i'm right but i'm not wrong just now
i don't know what makes you think
i'm so strong somehow
it's in keeping with my not sleeping around

you keep thinking i'm tired of you but i'm just tired
while i keep saying you're sick of me but you're just sick
it's in keeping with your not sleeping around

you only do it 'cause you can
you only say it 'cause you can
i'm supposed to take it like a man
what if i can?
i can't give more
you can't take more
you only do it 'cause you can
you only say it 'cause you can
i'm supposed to take it like a man
what if i can?

i can't keep it from my head
that you're never around
Lyrics courtesy the Top40db.
you can't get yourself out of bed
so you never come 'round

it gets too hard for me to think
that becomes too much to drink
and now i'm scared that if i blink you'll be on the brink
of needing a free roam
but please don't let go
