

# Scrawl

## Ned's Atomic Dustbin

Creature teach to don't lie back  
You gotta keep it up don't lose track  
Keep your feet, don't slide  
Not too there don't crawl back

Everybody's scared that they'll all in the scrawl  
It's gonna leave a mark so feeble  
Nothing is cool  
Nothing is cool  
Nothing

Best laid plans are boring man  
Slip through your hands  
and go

Everybody's scared that they'll all in the scrawl  
It's gonna leave a mark so feeble  
Nothing is cool  
Nothing is cool  
Nothing

Everybody's scared that they'll all in the scrawl  
It's gonna leave a mark so feeble  
Nothing is cool  
Nothing is cool  
Nothing

Now these two feet don't dance too neat  
But they never can  
so?
