

## Terminally Groovie

Ned's Atomic Dustbin

She got sex appeal on tap  
I try to leave, she drags me back  
Oh I may have her on her knees  
But I'm the one with the killer disease

If you live your life again, sucker  
Don't pass up on this woman

She's terminally groovie  
Terminally groovie  
She moves me  
To come on

She believes in after-life  
Even dead she'd groove all night  
I believe the end is soon  
Cos she's gonna drop the atomic groove

I ask her not to squeeze too tight  
That's sort of why I don't sleep at night  
I was keen when it began  
But soon she's gonna kill me, man!

I made love to you until my face turned blue  
But because I had to
