

# Something Beautiful

Needtobreathe

In your ocean, I'm ankle deep  
I feel the waves crashin' on my feet  
It's like I know where I need to be  
But I can't figure out, yeah I can't figure out

Just how much air I will need to breathe  
When your tide rushes over me  
There's only one way to figure out  
Will ya let me drown, will ya let me drown

Hey now, this is my desire  
Consume me like a fire, 'cause I just want something beautiful  
To touch me, I know that I'm in reach  
'Cause I am down on my knees, I'm waiting for something beautiful  
Oh, something beautiful

And the water is risin' quick  
And for years I was scared of it  
We can't be sure when it will subside  
So I won't leave your side, no I can't leave your side

Hey now, this is my desire  
Consume me like a fire, 'cause I just want something beautiful  
To touch me, I know that I'm in reach  
'Cause I am down on my knees, I'm waiting for something beautiful  
Oh, something beautiful

In a daydream, I couldn't live like this  
I wouldn't stop until I found something beautiful  
When I wake up, and all I want, I have  
You know its still not what I need  
Something beautiful

Hey now, this is my desire  
Consume me like a fire, 'cause I just want something beautiful  
To touch me, I know that I'm in reach  
'Cause I am down on my knees, I'm waiting for something beautiful  
Oh, something beautiful
