Nef The Pharaoh

Ah, wah

Real Vallejo nigga, I can get it in a drought
Now pussy, watch your mouth before this pistol pack you out
Punk rock beezy wanna fuck me for the clout
I'd rather get a check before some neck, bitch, that's out

I'm a South Vallejo nigga, you a tattletale nigga (Sou' City)
When them hot shells hit you, paramedics come get you
Fuck a VPD, chopper kick like Jet Li
They gon' try to do you dirty if you look like me

They sayin' it's a drought, but I can get it, what you need?
Nigga, ain't no job like a ho job, she sell blowjobs
I got it off the stovetop, watch out, this pot hot
Your baby mama is a bop bop, you act like she not not
FN hit his best friend, make him pop lock
Chang Chang got a lot of power where it's lala
My uncle used to slang that white girl, Lady Gaga

Real Vallejo nigga, I can get it in a drought
Now pussy, watch your mouth before this pistol pack you out
Punk rock beezy wanna fuck me for the clout
I'd rather get a check before some neck, bitch, that's out

Pull up in the stunner van, I sell it all, tell a friend
I might whip a nigga if I don't know him
Skinny, that's my brother he be K rollin'
I'm in a dope fiend rental, this whip ain't stolen
If it's a hammer in the whip, I'ma make Gabe hold it
I got cheese, sit back, you'll be out in the morning
I don't how if it's a drought when we be steady scoring
My bank account look good, I'm getting love in the hood
All the knocks know my name like a dope fiend should
You wanna feel special, bitch? Here, roll this wood
And after that, take it to the neck, it ain't no Cook', that shit weak
