My son saw his mom dark skin Santa Claus

Shoutout to them stripping ass thick thots
As soon they can powder their nose
On the pole she know all types of tricks bruh
She will have you spending your dough
All the pimps try to knock her
But they never succeed
And I'm the type of cat that never drops her
That's why she's coming home with me

Come blow me on the mistletoe

Come blow me on the mistletoe
Bitch blow me on the mistletoe
Come blow me on the mistletoe
Bitch blow me on the mistletoe

Scrolling through my muthafucking phone
Tryna find me a thoty that'll slide
Over the hills we go
In a brand new drop top ride
(Keys, keys, keys)
Diamonds on my chains hit ore
Mike Tyson on fight night
If you see her riding in my car
She gon' go and take pipe
(Aight, aight, aight)

Come blow me on the mistletoe

Come blow me on the mistletoe
Bitch blow me on the mistletoe
Come blow me on the mistletoe
