Nef The Pharaoh

I got them Futures on my feet, I feel like Pluto  
I just dropped my bottom bitch, then I knocked two hoes  
Took the laces out my kicks and now I'm swaggin' nigga  
It's pink dolphins on my pills and on my jackets nigga  
I be fuckin' all types of bitches, they just gotta be bad nigga  
My pull out game vicious, I'm not your dad nigga  
You still my son, gotta keep that drum  
And my [?] OG's are one of one

Run up a check like a track star, shoot a three, no backboard  
What's a goon to black boy?, i ain't scared, I ain't scared  
It's Halloween all year, codeine all year  
Shawty high off a perc dry, I know your vision ain't clear  
Ain't have no pot to piss in, you ain't give me no hand when I needed it  
Best friends turned snake in front of my eyes, couldn't believe the shit  
I just had to level up on 'em, Forgiatos on the truck on 'em  
Your baby mama backstage on the tour bus, lettin' me fuck on her  
Fifty racks when I walk inside the Neimans, that's gettin' blowed quick  
Overseas havin' that Cali pack on me, I got it in shipments  
Black bitch in a foreign ride, steering wheel on the other side  
I tuck the dope in between her thighs, I'm livin' like I'm televised

I got them Futures on my feet, I feel like Pluto  
I just dropped my bottom bitch, then I knocked two hoes  
Took the laces out my kicks and now I'm swaggin' nigga  
It's pink dolphins on my pills and on my jackets nigga  
I be fuckin' all types of bitches, they just gotta be bad nigga  
My pull out game vicious, I'm not your dad nigga  
You still my son, gotta keep that drum  
And my [?] OG's are one of one

Fuck that, I'm wifin' bitches  
Keep it with me like a license picture  
Pretty lady with the pink hair  
Legs folded like a pink flamingo  
Pink dolphin give me all the freakies  
Poppin' off me like my diamonds Fiji  
I like my diamonds purple, representing that's [?]  
Purpled down like a Teletubbie, I remember I was Barney blowing  
Up it since I heard The Jacka on me  
Every summer stayed in Sacramento  
I was trappin' on the mack road  
E pills had me on the come oat  
I got to stretch out when I'm on the road  
Shittin' on niggas, I really sell dope  
Margiela, offset with the coat  
I had to green up the ice and the coke  
I got the lean but it's for me to bowl  
Shout out to Future, F Beezy the movie  
I'm too paranoid, I can't skeet in a groupie  
I got a shooter with ice on Osama  
Who's stackin' the commas, who's still wearin' goofy

I got them Futures on my feet, I feel like Pluto  
I just dropped my bottom bitch, then I knocked two hoes  
Took the laces out my kicks and now I'm swaggin' nigga  
It's pink dolphins on my pills and on my jackets nigga

I be fuckin' all types of bitches, they just gotta be bad nigga  
My pull out game vicious, I'm not your dad nigga  
You still my son, gotta keep that drum  
And my [?] OG's are one of one
